There's nothing like the safety of your **home!**

Relax... you're home

There is nothing like being home safe and sound in your own environment. You will always feel safe with Generali. We provide you with the complete assistance you need to deal with any incidents at home.

Who can benefit?

Anyone wishing to protect their home, from basic cover to a fully inclusive all-risk option.

Generali ON Home offers you three different types, Basic, Plus and Premium, to adapt perfectly to your own individual preferences and needs. And if you're already a Generali customer, you can enjoy our exclusive rates.

What advantages does Generali ON Home offer?

As well as our extensive insurance coverage, Generali ON Home also includes two additional services completely free of charge to help simplify your life.

► **DIY service**

Enjoy our **DIY service** for home improvements and repairs. For example, install shelving, curtains, bath accessories, and much more.

► **IT helpline**

Generali ON Home includes a technology assistance service via telephone or online chat to help you instantly resolve problems with **computers, multimedia players, smartphones, tablets and browsers.**

Which **types** can i choose from?

Choose from three types of Generali ON Home. All include the main cover you need plus many additional protection options, because only you know the exact protection you need for your home.

Basic Protection

The most important basic cover, plus additional protection for lessors.

- Fire.
- Meteorological phenomena.
- Damage caused by water pipe breakages.
- Public liability.
- Household assistance.
- Theft inside the home.
- Legal defence.
- DIY service.

Plus, if you are a lessor, you can take out the Non-Payment Cover for reimbursement of the total sum of rent due or unpaid by tenants.

Plus Protection

Includes Basic Protection cover together with additional services to make you feel safer in your home and when you are out:

- Aesthetic restoration of both the building and its contents.
- Blocked pipes.
- Broken pipes with no damage.
- Broken windows, vitroceramic hobs and glass in electrical appliances
- Refrigerated goods.
- Garden reconstruction and garden furniture.
- Mugging.

Premium Protection

For 100% peace of mind, our **Premium Protection** covers all eventualities. It includes all the previous cover plus the following:

- Excess water consumption due to water pipe breakages.
- Broken glass on solar panels.
- Total building collapse.
- Accidental liquid spills other than water.

You can personalize your insurance even more with **Plus** and **Premium** which offer optional protection, including:

- All risk insurance against accidental damage for the home.
- Extension of valuable objects.
- Inclusion of dangerous animals under Public liability.

There's nothing like the safety of your home!

At Generali ON Home, we are very aware of this, so our home insurance policy includes up to three different modalities so that you can choose the one that suits you best.

Providing the protection you need to ensure peace of mind when you get home.
